

HML Checker - Feature #156

Feature # 150 (New): Single Product View

Feature # 155 (New): Corner Options

Option - Auto-Review

11/12/2019 12:32 PM - Lane Shaw

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:	Lane Shaw	% Done:	0%
Category:	Backend Functionality	Estimated time:	0.00 hour
Target version:	v0.5.0		
Description Checkbox in upper left options menu that marks viewed products as "Reviewed" when enabled (disabled by default). Make sure the setting is saved to the config when enabled/disabled, so it maintains state across entering/exiting the view and across application restarts.
